Cost-share will be based on the actual practice cost or the “Average Total Practice Cost” in the table above, whichever is less.

Eligibility is determined by the total household income, **including the income of all household members**. Income includes all sources, whether or not they are taxable for federal income tax purposes. To calculate your annual household income, add all income sources such as: social security benefits, wages, salaries and tips, retirement benefits, pension and annuity receipts, unemployment compensation, disability payments, interest and dividend receipts, business income, rental income, and capital gains. **To apply for more than 50% assistance, submit the previous year's federal tax return or pay stub with year-to-date figures or a letter from Social Security or your retirement fund stating the amount of income received each month.**
