

Mountain Castles SCWD Financial Assistance for Residential BMPS

July 1, 2026 -- Jun 30, 2027

Due to limited funding and high demand, **cost share will be capped at 50%** based on the “Average Total Practice Cost” shown in the table below.

Residential Septic Cost-share Rates/Caps

Practice	Average Total Practice Cost	50%
Septic Tank Pump-out (RB-1)	\$450	\$225
Connection to Sewer (RB-2)	\$12,500	\$6,250
Connection to Sewer with Pump (RB-2P)	\$20,500	\$10,250
Septic Tank System Repair (RB- 3)	\$7,500	\$3,750
Inspection and Non-Permitted Repair (RB-3M) (5-year lifespan)	\$3,250	\$1,625
Inspection and Non-Permitted Repair (RB-3M) (10-year lifespan)	\$6,500	\$3,250
Septic Tank System Installation/Replacement (RB-4)	\$12,800	\$6,400
Septic Tank System with Pump (RB-4P)	\$17,600	\$8,800
Alternative Onsite Sewage Systems (RB-5)	\$31,500	\$15,750

Cost-share will based on the **actual** practice cost or the “Average Total Practice Cost” in the table above, **whichever is less.**
